THESE ARE NON-NEGOTIABLE AND WILL RESULT IN A TRIP HOME. Campers, please DO NOT bring cell phones, iPods (or other music devices), hand-held video games, or candy. You will be asked to surrender these items to your parents at the time of check-in. We have an exciting and full schedule, and there will not be time for any of these things. Some of the focuses of camp include team building and creating a sense of community among campers. As these items can only take away from and challenge that goal, they will be confiscated, and returned at the end of the week. Also, Camp Tuttle cannot be responsible for any lost or stolen items.
